Celosia

CEL-44-B-H-4K-Z-TR

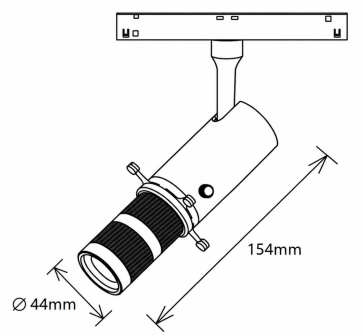

DESCRIPTION

The CELOSIA is a 48V track-mounted LED spotlight featuring a zoomable 20°–35° beam angle, allowing illumination to be adjusted for different accent lighting requirements. Available in 12–15W power options with an average efficacy of 65lm/W, it offers precise control over light distribution. Standard white and black finishes are complemented by custom RAL finishes upon request, enabling the CELOSIA to coordinate with a variety of interior schemes.

IP20
